ABOUT 30,000 SEE BIG EXPOSITION BY MERCHANTS

Mercantile Display Is Over and It Is Declared to Be a Complete Success

Greater Glendale's Merchants' exposition is a matter of history—a story of the progress and prosperity of this city which was told in a week of entertainment and education under the auspices of the Chamber of Commerce and directed by the Pacific Coast Exposition company.

Approximately 30,000 people saw the displays of the business men and manufacturers during the seven nights and six days. The closing evening was featured by a pie-eating contest and a program which included a display from the H. S. Webb company store.

Big Tent Being Cleared

Today the tent is being cleared of all the exhibits and tonight the Chamber of Commerce will hold a rally there which is described in detail in other columns.

Among the many interesting things occurring the closing day of the show was the sale by the Packer Auto company of another dorded-up Studebaker Big Six to William A. Page, of the Page Furniture company. Classic Marlowe purchased a Buick roadster from Tanner & Hall and the other motor car dealers reported good business.

Declared Great Success

As a stimulus for better business, the merchants consider the exposition a great success and James M. Rhoades, in thanking the public Saturday night, for their loyal support, paid tribute to the ability of H. Elmo LaBree, director general.

There are many details yet to be attended to, several capital prizes to be awarded and a final "good-bye" to the exposition interest will not come for a week. But the show is over and the Tired Business Men are once more settled to the routine of everyday life.

Fashion Show Proves Of Educational Value

The style revue at the final appearance at the Greater Glendale Merchants' Exposition of Miss Claspie Marlowe and her attractive models opened Saturday night when the curtain rose on an out-door setting with the beautiful Buick roadster, purchased for Miss Marlowe, of the Glendale agency, in the foreground, that charming lady at the steering wheel.

H. S. Webb & Co. had reserved for showing on this night a group of their very neatest models in winter suits and coats. The garments showed the new long coat effects and gave added proof of the popularity of astrakhan as material and trimming for the fall and winter suits.

A black jersey suit with white astrakhan collar and lapels was one of (Continued on Page 4)

SCHOOL WILL OPEN MONDAY, SEPT. 12; SUPERINTENDENT WHITE GIVES INFORMATION TO PARENTS

Head Of Department Issues Statement Relative To Permits, Age, Kindergartens, Registration And Other Facts Concerning Pupils

RICHARDSON D. WHITE, superintendent of the city schools, issues the following information:

The first term of school will open on Monday, September 12, 1921. It is very important that every child should enter school on the first day and should thereafter be regular and punctual in his attendance. Any absence may be a serious menace to the child's standing in his classes.

Special Permits

The first day's enrollment in September, 1919, was 1,723 and in 1920 the first day's enrollment was 2,169, showing an increase of approximately 25 per cent. If the first day's enrollment this year shows the same percentage of increase, and we have every reason to believe that it will, all the schools in the city will be crowded and it will be necessary to make many adjustments by transferring children from one school to another. Under these conditions it will be impossible to grant permits to attend school in a district other than that of residence with the same freedom as heretofore.

Parents desiring such permits should apply at the superintendent's office during the week before school opens. No permits will be issued until the second day of school when it will be possible to determine what conditions are. Parents are re-

GLENDALE TO HAVE LARGE CLASS AT K. P. INITIATION

Big Event Will Be Held In Pasadena on Friday Night; Thousands Will Attend

Glendale Lodge No. 331, Knights of Pythias, will co-operate with the twenty-six lodges of that fraternity composing the thirtieth convention district of California in staging what will probably be the largest page rank initiation ever attempted in southern California, by sending a class of initiates to Tournament park, Pasadena, next Friday night, which is Admission Day. All lodges within 100 miles have been invited.

The class will doubtless contain several hundred initiates. The stadium will seat 500 Pythians. Admission to the ceremonies is free, by passport only.

Chancellor Commander E. Fram is on the reception committee and will be there to invest the members of Glendale lodge with the passport. Glendale has accepted a challenge from Van Nuys in a membership drive, and the lodge getting the most new members by the end of the year will be banqueted by the losers.

The Knights of Pythias, it is declared, now the largest American-born fraternity. This class initiation is part of an order-wide move to increase the membership to a million when the supreme lodge meets in California next year, with excellent prospects of getting its quota.

The grand chancellor, Hon. J. Stanley Brown, will speak on Friday night. Jack Linney is master of ceremonies, Chief Deputy Howes is managing the event, which is known as a Warren G. Harding page rank class. The president is a member of the fraternity, as is Mayor Cryer of Los Angeles, who received wired greetings on his recent inaugural.

A large delegation from Glendale will be in Pasadena at 8 o'clock next Friday night, with candidates.

FUNERAL OF JOSE PEREZ

Funeral services were held at 10 o'clock this morning at Pulliam & Kiefer undertaking parlors of Jose Perez, who died Saturday, September 3, 1921, at the home of his parents, Mr. and Mrs. George Perez, of North Glendale avenue. Burial took place at Forest Lawn cemetery.

PERMANENT RESIDENTS

The Drs. Richard and Frances Ehle of 228 South Louise street, who were reported as visitors here in Saturday's edition of The Glendale Evening News, are permanent residents and following the chiropractic profession.

OAK STREET ASSOCIATION

The Oak Street Improvement association will meet Wednesday night at 7:45 at the home of Mrs. Hare, 443 Oak street. Residents of Elk street interested in improvement are invited.

BICYCLE RACES ON LOCAL 'SPEEDWAY' DRAW CROWDS

Much Interest Is Displayed In Events; List of Those Winning Prizes

More than 300 enthusiastic bicycle racing fans, a large proportion of which were adults, were present yesterday at the second annual Glendale bicycle races which took place on East Broadway between Verdugo road and Wilson avenue. The affair which consisted of six separate events, was a complete success from start to finish, William A. Pfeifer, who was the sponsor of the races, stating that not a single hitch was encountered throughout the morning.

The track used for the various races was a half mile stretch, with practically no grades, therefore keeping the youthful speedsters traveling at the same speed most of the time. Mr. Pfeifer was assisted in promoting the race by Fuller Gates of the Appeal manufacturing company of Los Angeles and Otto Nintz of this city.

The prizes, which were donated for the occasion by Mr. Pfeifer and several Los Angeles wholesale houses, consisted of bicycle tires, wrenches, chains, flashlights, pedals, lamps, baseballs and bats and numerous other less valuable awards.

How it Came Out

Following is a list of the place winners and time of each of the six races:

Two mile free for all: First, Baptist Basolo; second, Howard Wimmer; third, Kenneth Wellens; fourth, Owen Miles. Time 7:15.

Slow race, open: First, Kenneth Wellens; second, Owen Miles; third, Shirley Preston. Distance, thirty-five yards.

Half mile for boys aged 16 and under: First, Baptist Basolo; second, Howard Wimmer; third, Owen Miles; fourth, Alfred Herman. Time 1:30.

Half mile for boys aged 12 and under: First, Darrell Korb; second, George Hall; third, Austin Teasley. Time 1:40.

Quarter mile scramble, free for all: First, Vernon Boone; second, Alfred Herman; third, Francis Morgan.

Wins Guessing Contest

Announcement was also made yesterday that Gordon Kelly of 340 West Elk street was the winner of the gold watch which was given for the six day guessing contest completed Saturday at the Pfeifer bicycle shop.

The contest consisted of the guessing of the number of miles registered on a cyclometer attached to a bicycle which was run by an electric motor for eight hours of six consecutive days.

The winning guess was 420 miles, while the exact mileage was 420.95. Although there were four people who guessed 420 Gordon Kelly was given the prize because his estimate was submitted first.

CAMP IN TOPANGA CANYON

A jolly party of campers left Saturday afternoon for Topanga Canyon, where they camped over Labor Day. They made the trip by automobile and report a fine time. Those in the party were Mr. and Mrs. J. H. Crane and family, Mr. and Mrs. Charles Crane and family, Mr. and Mrs. Charles Bruck and family, Mrs. H. Jensen, Mr. and Mrs. Herbert Crane and family, John Weil, John and Elizabeth Celus and Mr. and Mrs. Robert Danner and family, all of Glendale.

Mrs. F. P. Newport was in Glendale Saturday for the purpose of conferring with Mrs. Charles A. Parker and Miss Eva Daniels on matters pertaining to the production of "In a Persian Garden," to be given at Verdugo Woodlands Saturday, September 17, at 8 p. m., under the auspices of the music section of the Tuesday Afternoon club. Mrs. Newport is greatly interested and has offered her assistance.

TUJUNGANS WILL CLOSE TODAY

Queen Will Be Crowned and Dancing Will Close Day of Perfect Enjoyment

By GIL A. COWAN

The Moon Festival of the Tujungans comes to a close today. For those who have not been and seen Glendale's neighbor community in gala array, this evening offers the last opportunity for a delightful motor ride through the green Verdugo foothills to the Garden of the Moon where Sid Grauman's entertainers will provide distrestment.

The Queen of the Festival is to be crowned and dancing will close a day of enjoyment, beginning with sports at 1:30 o'clock. Representatives of the southern California Chambers of Commerce are the special guests of the Tujungans.

Concerts by the Glendale Elks band, community singing, the Millionaires' club smoker and vaudeville were principal among the events yesterday—Labor Day—when the peak in attendance was reached.

Legion Chief Is Speaker

Buron Fitts, state commander of the American legion, and Mrs. Carol Marks, past state president of Women's auxiliary, spoke Sunday afternoon while Mrs. Genevieve Stanley Adams and Miss Bessie Chapin presented a musical program.

Commander Fitts' speech on the ideals and accomplishments of the legion struck a popular chord with the former service men who are sponsors of the festival. He told of his work with the state legislature in putting California to the forefront in the matter of beneficial legislation for the veterans and revealed his plans for a great state campaign to inform the voting public of the necessity for the passage of a \$10,000,000 bill.

W. B. Davis Returning

From Visit to Illinois

W. B. Davis, proprietor of the Davis-Glendale company, operators of greenhouses in the northwest section of the city, writes The Glendale Evening News from Aurora, Ill., that he and Mrs. Davis are leaving the east for their home here at 601 North Louise street.

In his absence a \$30,000 greenhouse, one of the most massive in the United States, has been added to the plant here where cucumbers and other hothouse vegetables are grown with great success. Mr. Davis operates several other plants in the east, the one at Aurora requiring his attention for the last six months.

VISITOR IN GLENDALE, OHIO

The Glendale Evening News is in receipt of a postal card from Miss Lillian Shropshire posted from Glendale, Ohio, which is fifteen miles from Cincinnati, where she is visiting. Miss Shropshire states that it takes an hour and fifteen minutes to cover this distance on a street car. The population of Glendale, Ohio, she states, is 2500, but they have their own postoffice.

While in one of the drug stores of that city Miss Shropshire mentioned the fact that she was from Glendale, California, whereupon the clerk said that they get medicine from the Harrower Laboratory of this city. Miss Shropshire and mother left Cincinnati for Chicago last Friday and expect to arrive in Glendale by September 15.

MOTOR TRIP TO GLENDORA

Rev. and Mrs. C. R. Norton and son, Ed Norton of 801 East Wilson avenue, motored to Glendora Sunday, where they were the guests of Mrs. Norton's sister, Mrs. F. W. Anderson, formerly of this city. While in the "orange grove city" the party attended the regular Sunday morning services of the First Methodist church where Rev. J. F. Humphrey, for several years pastor of the First Methodist church of this city, is pastor.

TUESDAY CLUB AFTER PRIZE

Some very beautiful special prizes are to be awarded to the clubs entering displays at the San Fernando Valley fair, some of which it is hoped will be captured by the Tuesday Afternoon club. Anyone entering displays, the points for which they would like to have credited up to the local club, are requested to enter on the bottom of the entry blanks "Tuesday Afternoon Club of Glendale." These entry blanks must be in by September 12.

REPORTS THEFT OF WHEEL

L. L. Leech of Tenth street and Grand View avenue reports that his bicycle was stolen on Sunday night from the street in front of the Palace Grand theatre.

Today's World News In Brief

(By United Press to Glendale Evening News)

AMERICANS PAY ALL OIL TAXES DEMANDED BY MEXICO

MEXICO CITY, Sept. 6.—American oil representatives have paid the oil taxes demanded by the Mexican government and the government today feels that the situation has been greatly improved. The taxes amounted to several million dollars. In some transactions the exchange reached par, closing at 49½.

ROY GARDNER MAY HAVE MADE ESCAPE TO MAINLAND

TACOMA, Wash., Sept. 6.—Thorough search of McNeil's Island has revealed no direct clues to the whereabouts of the escaped bandit, Roy Gardner, Warden Thomas Maloney of McNeil's Island prison said today. "We are now working on the theory that he has escaped to the mainland, but search is still continuing on the island," Warden Maloney added.

ISSUES ORDERS FOR RESUMPTION OF ARMY RECRUITING

WASHINGTON, Sept. 6.—The war department has issued orders for the resumption of recruiting to the army, Secretary Weeks announced today. This action was taken, Weeks explained, because the recent wholesale discharges of enlisted men have brought the total strength of the army to below 150,000, the strength authorized by the army appropriation bill.

'GOOD KILLERS' RESUME OPERATIONS, POLICE BELIEVE

NEW YORK, Sept. 6.—Four murders of Italians during the last twenty-four hours led police to believe today that "good killers" organization of hired assassins had resumed operations. Further killings are feared today. Several suspects are being watched here and in Detroit, Buffalo, Pittsburgh and other cities where the assassins were active until recently.

UNITED STATES NOTIFIES FRANCE OF PEACE TREATY

PARIS, Sept. 6.—The French press announces that the government has received a note from the state department at Washington notifying France of the signature of the German-American peace treaty and requesting that a written recognition be returned. The Intransigent declares that receipt of the American note has caused a flutter in French governmental circles.

NATIONAL GUARDSMEN HELPING TO FIGHT FOREST FIRE

ST. PAUL, Minn., Sept. 6.—A dead calm early today relieved the forest fire situation in the district between Mills Lacs and Duluth, according to reports to the state forester's office. Between 700 and 800 national guardsmen were helping forest men battle flames around White Pine, Solana and McGrath. McGrath, in the path of the flames was relieved of danger today when the wall of flame died down about seven miles from the town.

OILS FEATURE EARLY TRADING ON STOCK EXCHANGE

NEW YORK, Sept. 6.—The oils, stimulated by the agreement between Mexico and American oil men relative to taxes, featured the early trading on the stock exchange today. Mexican Petroleum followed an advance of four points at 110 and then got above 111. Equipment issues showed a strong tone and Baldwin made an early high at 80, up nearly two points net. The rest of the list was favorably affected by the oil advance. Industrials acted better than rails.

ALL IS QUIET TODAY IN WEST VIRGINIA COAL FIELDS

LOGAN, W. Va., Sept. 6.—Union and non-union miners were to resume digging today at a sign that a truce has once more settled upon the West Virginia coal fields. Everything was quiet along last week's "battle front" and federal troops were awaiting orders to withdraw. Protests to General Bandholtz against the immediate withdrawal of the regulars was expected today on behalf of citizens of Logan county who anticipate fresh trouble when the troops leave.

BEVERIDGE MAY BE U. S. AMBASSADOR TO GERMANY

WASHINGTON, Sept. 6.—America's next ambassador to Germany may be the former Senator Albert J. Beveridge of Indiana, it was learned here today. While Beveridge is not an avowed candidate for the post, his friends say that if President Harding tendered it to him they believe Beveridge would accept. Harding has a high regard for Beveridge's ability. The president has had him in mind for a diplomatic post from the outset and is said to have offered him the ambassadorship to Japan, but Beveridge refused.

RUSHING FURTHER PREPARATIONS FOR WAR IN IRELAND

DUBLIN, Sept. 6.—All factions in Ireland were today reported to be rushing preparations for war. The Ulster volunteers, according to a correspondent of a London newspaper, are being recruited to their full strength. Ten thousand ex-soldiers have already been enrolled and rifles and ammunition will be given out in a day or two, he said. Irish republican troops which were in Dublin today showed no signs of uneasiness, but reports came in from the hills of drilling and marching being carried out by large bodies of Sinn Fein soldiers. Predictions were being freely made in Dublin today that war will be in full swing within ten days. Many are still hopeful of peace.

ROY GARDNER HIDING ON M'NEIL'S ISLAND, IS BELIEF

TACOMA, Wash., Sept. 6.—Roy Gardner, arch-bandit, was believed to be hiding in the dense woods and underbrush on McNeil's Island today, following his sensational escape from the federal penitentiary there late yesterday. Armed guards patrolled the island all night under the direction of Warden Thomas Maloney in a futile search for the mail robber. A heavy fog aided the criminal, while smoke from brush fires started by prison officials to smoke out the convict covered the island like a blanket. Gardner has twelve square miles of densely wooded country with an irregular shoreline in which to elude his pursuers. Gardner's break for liberty occurred during a holiday baseball game on the island. Everett Impyn, former Camp Lewis soldier, sent up July 15 for a life term for assaulting a civilian nurse at Camp Lewis last April, was shot and killed by prison guards when he followed Gardner. Lowardus Bogart, also a former soldier and partner in crime with Impyn, serving a life sentence for his part in the same crime, was shot and possibly fatally wounded in attempting to flee.

BELIEVED DEAD; RETURNS

SAN FRANCISCO, Sept. 3.—Lieut-
enant Edward Walker Franklin, U.
S. Marine Corps, believed to have
been dead for over a year, is now
listed among the returned. It was
learned today. Franklin, who disap-
peared in 1920 while on leave of ab-
sence at Washington, D. C., surren-
dered himself to Colonel Treadwell
at Mare Island, giving an explanation
for his strange absence a story of
lost identity after a drinking bout
with some friends. He is held pend-
ing investigation of his narrative.

The Old Family Doctor
knew what he was talking
about. It wasn't medicine

ods. What the doctor or-

Will Be Seen

By a vote of 72 to 43 Tujunga

of a street lighting district. Over-
shadowing interest in the prepara-
tions for the Moon Festival was re-
sponsible for the comparatively light
vote. The improvement will soon be
made.

west corner of Sunset and Monte

bank building is to be erected. The
work of organizing the bank and
getting its home ready for occupancy
will be taken up vigorously after the
Moon Festival is over.

before Recorder H. I. Cruzan and
were compelled to give bonds for
their appearance later, and were
given a certain number of days in

Lonnie Garwood, Once on Local Police Force, Dies as Result of Crash

Lynwood (Lonnie) Garwood, aged
32, one of the most widely known
speed officers in southern California,
drove to his death at Culver City
Sunday night. He was hurled from
his machine while patrolling Wash-
ington boulevard within the precincts
of the midway city which he had
served as chief of police and motor
cop.

James Kane, Garwood's partner,
with Norman Manning, a friend,
found his crumpled body and rushed
him to the Receiving Hospital in Los
Angeles where he died before he
could be operated upon. He is sur-
vived by a widow and a 9-year-old
daughter, who reside in Culver City,
and his parents, Mr. and Mrs. Robert
Garwood, and a brother, Robert, Jr.,
of Ocean Park.

Garwood was widely known here,
having preceded Walter Trautwein
as motorcycle officer. He served
with the local police from January,
1918, to December 1, 1918, when he
resigned. Prior to coming here he
had been with the Venice force.

It is recalled by the theatrical col-
ony that Garwood was the dashing
Lothario who married Frances
White, famed as the "Splash Me"
girl, who is now starring in New
York. He won and lost her while
she was singing in a beach cafe.

Second Street Tunnel Slides
Passengers on Glendale cars last
night watched and wondered at the
excitement surrounding the newly-
dug entrance of the Second street
tunnel. It had caved in, but luck
was with the workmen who were
celebrating Labor Day. Residents
of Figueroa and Flower streets, as well
as those who reside on Bunker Hill,
had thoughts of an earthquake when
the huge slide occurred.

Billy Sunday Celebrates
The Rev. Billy Sunday celebrated
his thirty-third wedding anniversary
with a trip to Long Beach yesterday.
Incidentally he defended the Rev. W.
T. McElwain of Portland, Ore., who
was "fired" for calling a man a
"damn fool." "Some people are apt
to feed the intellectual giraffes and
starve the goats" is the way Billy
summarized the situation.

They Swim to Safety
Philip Clarke of Beverly Hills and
Miss Helen Davis of Pasadena were
bumped by a car and knocked off the
Alamitos bay Pacific Electric trestle.
They swam to safety although the
couple were slightly injured.

Woman Captures Suspects
Mrs. M. J. Pernice of San Fer-
nando yesterday held two men at bay
and aided in their capture on a
charge of suspected burglary. Frank
De Lois, a chauffeur, and J. Yamada,
a gardener, are held in the Los An-
geles jail as a result.

FASHION SHOW AT EXPOSITION WINS MANY PRAISES

Women of Glendale Realize
Stores Here Can Satisfy
Every Style Demand

(Continued from Page 1)
The smartest of the suits, another
model in brown twill was trimmed
in the gray astrakhan. A knee-
length coat of the wool in dark brown
looked unusually warm and practical
for the out-of-doors girl.

Very Attractive Coat
The prettiest coat shown was worn
by Miss Dolan and showed a warm
effect, a gray astrakhan, vest, cuffs
and collar being combined with navy
blue velour. The comfortable rag-
lan sleeve was in evidence in a brown
velour with fur collar and cuffs.
Though a tailored sleeve can also be
worn as the great variety shown in
the cut of the coats proves.

The pajama parade, a much her-
alded event, proved to be one of the
faintest revues at the exposition and
will leave a very pleasing memory
of the pretty models in Glendale.
Sherrod's Specialty Shop furnished
the garments featuring their line of
pongy pajamas in practical and
charming styles.

Display Of Corsets
The crowning vision of the even-
ing, however, was Miss Marlowe, who
modeled one of Sherrod's "Madame
Grace" broadened corsets over the
daintiest of orchid chemises, a beau-
tiful pink satin, fur trimmed negligee
making a lovely background for the
undergarments. Sherrod's announced
that they carry a full line in these
corsets and will entertain their wom-
en patrons with a display of the dif-
ferent styles at an early date.

Much effort and expense has been
given to the showing of the fashions
on the runway, by the merchants of
Glendale. But their work is not un-
appreciated as can be testified by the
added patronage the shops have re-
ceived since the opening of the ex-
position. Many newcomers discov-
ered for the first time that Glendale
has "real" shops where the sort of
frocks and suits the most discrimi-
nating taste could desire may be
found.

And it was a pleasant surprise to
many pioneers to discover that the
stores have grown with the town and
are more than worthy of the back-
ing of everyone who enjoys the priv-
ilege of living in Glendale.

Garage and Repairmen Meet Tuesday Night

The regular monthly meeting of
the garage and repairmen's craft of
the San Gabriel Valley Automobile
Trade association will be held at
Jesse Smith's Ford garage Thursday
night at 8 o'clock. These monthly
meetings are highly beneficial both
to the garage owner and to the mo-
toring public, as many new ideas de-
velop, quicker ways of turning out
repair jobs discussed, etc. Speaking
of the coming meeting, P. W. Bat-
telle, secretary-manager of the as-
sociation, says:

"Today the car owner demands
quick, accurate service when he
drives his car into a shop to be over-
hauled or adjusted. Our association
is founded for mutual benefit. The
garage and repairmen attend meet-
ings, get new ideas and find quicker
and better ways to turn out jobs.
More modern machinery is installed
when practical and every one of our
members guarantees his work. If a
job isn't right, bring it back. Could
anything be fairer than that? The
association idea has been so success-
ful that eighteen states have now
adopted it and even in Australia
there exists an auto trade associ-
ation."

MRS. C. G. WOODS HOSTESS

Mrs. C. G. Woods of Grandview
avenue entertained today at a lunch-
eon at the Maryland hotel and a
theatre party in Los Angeles. The
guests were Mrs. W. W. Simpson and
son, Charles, Mrs. David Nathan of
Los Angeles, Miss Saunders, Addi-
son McKelvy and the hostess, Mrs.
C. G. Woods.

Mrs. Woods had an exceedingly
happy week-end for she had most of
her family with her. Her guests
were William Wood and son Charles
of Long Beach, who is leaving for
New York in the near future. Charles
Wood spent the winter at the home
of his grandmother, and attended the
Glendale high school. Other guests
were Mrs. W. W. Simpson and son
William, who have been spending the
summer there, but who will leave for
their home in Pittsburgh, Saturday.

RELIGION IN HOME GREAT NEED, IS PASTOR'S VIEW

Greater Endeavor Necessary,
Says Dr. C. M. Crist In His
Sermon Sunday Morning

A large audience greeted Dr. C. M.
Crist at the First Methodist church
Sunday morning. He returned re-
freshed from a month's vacation in
his home in the San Bernardino
mountains. His sermon was of an
intensely evangelistic nature on
"Hearts That Burn Within Us" taken
from the text Luke 24-32, "And they
said one to another, did not our
hearts burn within us, while he talk-
ed with us by the way and while he
opened to us the scriptures."

"The supreme question," said Dr.
Crist, "is not that of theology of
doctrine but of practical religion, a
heart experience. The years pre-
ceding the war were years of great
criticism of the scripture and plan of
salvation. Not only in Germany, but
throughout the world was there a
destructive criticism that was intend-
ed to undermine and destroy faith
in spiritual truths. Then followed
the war, but through it all faith sur-
vived. God's care for his creation
has now been more apparent. Jesus
Christ was never more the son of God
than then and now. The Bible never
was more valued, the revelation of
God's will and himself. Prayer was
never more exalted.

Great Power Of Prayer
"Notice the observance of a day
of prayer throughout America under
President Wilson's call and the sig-
nificant fact that the central powers
waged not another victorious battle.
There is a greater belief in a pres-
ent God in our midst today. The
centenary movement of the Metho-
dist church is one of the greatest
triumphs of Christendom.

"There is need for the most in-
tensive endeavor, of persistent evan-
gelism. We need to exemplify the
truth in our lives, for truth en-
shrined in personality becomes a liv-
ing power. The armor of Oliver
Cromwell can be seen by the visitor
to London today. But it was the man
behind the armor that performed
the valiant deeds. This is a time for
a rally of all the forces who com-
prise the Christian church. No
longer an abstract but concrete ex-
ample of earnestness is needed. We
need it in our homes. There has
been a letting-down, a disregard of
holiness.

"Parents Obey Children"
"The disobedience of children is a
present day characteristic. The in-
junction 'children obey your parents'
has well nigh become reversed and
disregard of the sanctity of the Sab-
bath, is observed. Our parents may
have been too strict and may have
gone to the extreme, but it is plain
enough that we have gone to the
other.

"Are we faithful to the family al-
tar? Home is a religious institu-
tion with the father as the priest.
He should represent the ideal to
which the young should aspire. The
home without the family altar and
daily worship falls in one of its most
priceless privileges. Many a boy has
been helped in the dangers of life
by his precious memory. Family
church attendance is another pres-
ent-day need. Youth is the time to form
the habit. We need more evan-
gelism in our churches, a divine dis-
content for greater results, a burning
desire to be re-vitalized. We have
too much calmness, too much com-
placency.

"More earnestness is needed in
both pastor and pew. We need a
week-round program, to upbuild in-
tellectually, socially and spiritually.
We have plans in mind which will in
due time be presented. We have too
fine and large a church equipment to
only use one or two days in the
week."

SUPERINTENDENT OF INDIAN TEACHER SCHOOL HERE

Rev. George Logie Is Speaker
at Presbyterian Church on
Sunday Morning

The people of the Presbyterian
church listened Sunday morning to
Rev. George Logie, superintendent of
the Charles H. Cooke Training
School at Phoenix, Ariz., an institu-
tion which trains Indians for teach-
ers, evangelists, or for plain, useful,
Christian living.

"I speak for a people that are poor
and despised," he said. "There are
approximately 350,000 Indians in the
country. Leaving out those in Okla-
homa which has the most, there are
more in Arizona than any other state,
40,000. There are also a great many
Mexicans there. The responsibility
of these rests on the Presbyterian
church more than on any other. The
brave pioneer missionary, Charles H.
Cooke, came almost fifty years ago
and worked his life out, forty-five
years. The Indian church members
by now number 2500.

"Among the several tribes the Na-
vajo, in the northern part, are a
strong people and will make them-
selves felt. Dr. Cooke did a large
work among the Pimas. The prob-
lem arose of the need of native work-
ers; for nobody can wholly under-
stand an Indian except from the in-
side. When I came, twenty-three
years ago, Dr. Cooke was laboring to
start for them a training school. In
time the Kennedy fund made it pos-
sible to begin. Thus far there have
been fifty in the school, who are now
scattered through Arizona. All use
English.

Room Is Required

"The situation has now come to
this: It has not been possible to
enlarge the plant, which is out-
grown. Practically all the men who
come are mature married men, many
with families, and room must be
made somehow for them. Each year
more men enter than those going out.

"It is plain, to those with vision,
that this school has been placed with
a special purpose of God. The mass
of the Indian races extend north and
south through the continents in an
unbroken chain, 15,000,000 of them,
practically untouched. This is a
central strategic point. The Chris-
tian Pimas stand at the top among
them; they have been called to God's
kingdom for such a time as this."

Mr. Logie called on the young
Pimas to be ready for the call from
the Yaguis and others to the south.
An unbelieving young Indian made
fun.

Volunteers for Work

But ere long he was converted,—a
forceful young fellow of abilities, and
soon he was doing important work.
An appeal was made for one to go to
the Apaches, and this man volun-
teered, undertaking to carry training
work and mission work both to-
gether. He left his store and his
crop. An old woman said: "Never
mind, my son; go when God calls
you. I'll harvest your crop." She
did, and sent him the proceeds. He
went and gathered up the Indian
Christians and did a deep, sound
work. And so did others. Unless
we train true leaders our work may
fall to naught.

Mr. Logie was followed by a few
words from our own Mr. Johnston,
a long-experienced worker, who
spoke strongly of the work yet re-
maining to do among those Indians,
and of the fact that the key to the
total Indian situation is Arizona.

LOOK OVER GRAPE LANDS

Dru Nicoles, wire chief for the
Pacific Telephone & Telegraph com-
pany here, accompanied by Louis
Roberts, of the Studebaker agency,
and Don MacMillan, San Pedro wire
chief, drove to Fresno over the hol-
iday and looked over grape land
which the latter contemplates pur-
chasing. It was a very nice trip—
nice and warm, according to Nicoles.
He saw a big car go off of the Ridge
route into a ditch and enjoyed a
couple of "blowouts."

'A Thousand to One,' Too Wise Wives' on Palace Grand's Bill

A smashing melodrama, threaded
with a love interest that adds to
rather than detracts from the dra-
matic strength of its situations is "A
Thousand to One," J. Parker Read,
Jr.'s production starring two-fisted
Hobart Bosworth, which comes to the
Palace Grand theatre today and to-
morrow.

Bosworth is said to excel in this
production his past remarkable per-
formance in such screen successes as
"Behind the Door" and "Below the
Surface."

"Two Wise Wives," a Paramount
production, provides the other half
of the double bill while Henri Mon-
ette presides at the console of the
great Wurlitzer. It surely is some
show!

Heavy Traffic Cause of Several Accidents

The past weekend was one of
an unusually large amount of traffic
accidents in Glendale, most of which,
however, were of the minor variety.
Miss Irene Allen of 1221 South Boynton
street was painfully bruised
shortly before noon when it is re-
ported, she became confused while
crossing Brand boulevard at its inter-
section with Park avenue and was
struck by an automobile belonging
to Frank D. Lanterman of La Can-
nada. According to Mr. Lanterman
he was traveling south on Brand
boulevard at about fifteen miles per
hour when he slowed down to al-
low several people to board a street
car going to Los Angeles. Miss Al-
len, he claims, suddenly turned
around in front of his machine, mak-
ing the accident "unavoidable."

When taken to the Glendale Sanitar-
ium and Hospital Miss Allen's
bruises were dressed, then she was
removed to her home.

Ewart Ross of 81 North Allen
street, Pasadena, reported on Sun-
day that his machine collided on East
Colorado boulevard with that of
George H. Vertefeville, address not
given, slightly damaging both cars.
Benjamin S. Dicks of Whittier re-
ported to the local police authorities
that while driving on Colorado bou-
levard and Verdugo Road Saturday
afternoon he was forced to run into
the curb to avoid a collision with a
machine driven by F. L. Pratt of
4014 Effie street, Los Angeles. In
doing so he stated that his car was
badly smashed against the curb.

WHY NOT?

"Hubby, here's a dog store."
"Well?"
"I want a Poke."
"I don't mind indulging you to
that extent. Take a good look."

How Yopp Family Pantry Blew Up Is Good for Scenario

WILLOWS, Sept. 6.—Members of
the Yopp family were completely un-
able to explain the explosion which
blew their pantry through the kitch-
en and out on the back porch the
other night.

It developed later that a flexible
gas jet cord had ignited and set off a
can of gun powder on the pantry
shelf.

This, however, was as much a sur-
prise to members of the Yopp fam-
ily as to any of the crowd who gath-
ered around the scene. They had
not waited to investigate, the Yopps
explained.

Miss Mary Logan Is Guest of Honor at Shower on Saturday

Miss Mary Logan, who is soon to
become the bride of Marshall Pear-
son, was the guest of honor on Sat-
urday afternoon at a very pretty
kitchen shower given at the home of
Miss Harriet Barnes of 1303 North
Brand boulevard.

The house was attractively de-
corated in different shades of asters. A
very unique way of presenting the
gifts to the bride-to-be was shown
when she was taken to the kitchen,
and piled on the kitchen stove she
found many useful and pretty gifts.
She carried them into the living room
where they were opened and ad-
mired.

Each guest had been asked to
bring a recipe and during the after-
noon a very useful recipe index file
was made and presented to Miss Lo-
gan. In the center of the table was
a large bunch of asters and the place
cards were tiny kettles, pans and
other kitchen utensils. A beautiful
ice-cream cake was served during the
afternoon.

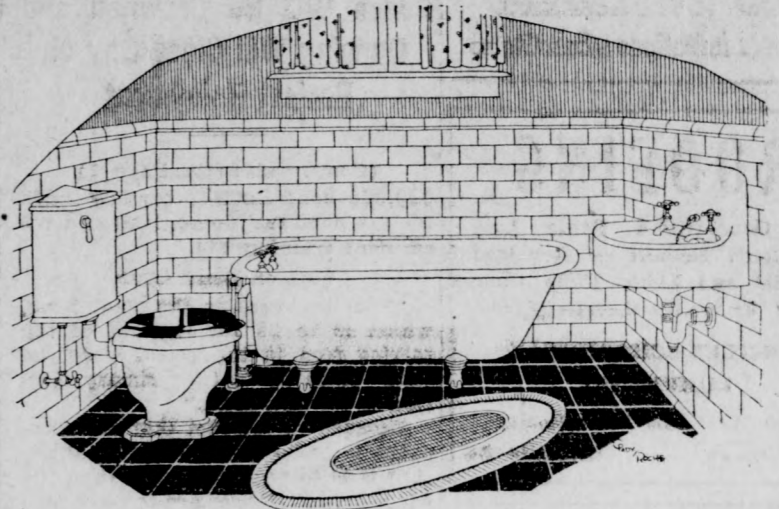

The invited guests included the
guest of honor, Miss Mary Logan,
and Miss Christine Ferris of Los An-
geles, Miss Jane Snyder, Miss Edith
Haggman, Miss Marion Pearson, Miss

000,000 bond issue to provide funds for the veterans' home, land and vocational training aid.

Vote on Bond Issue
"The first vote on the bond issue, which is to be for the aid of the service men in the world war," he said, "is to be at the primary election in August, 1922."

Because of the fact that the campaign is to be of an educational nature it is to require longer than the usual drive. Offices are to be opened both in Los Angeles and San Francisco, according to Mr. Fitts. In the course of the campaign he is expected to make two complete tours of all the American legion posts in the state.

There are 261 posts of the American legion in California, all of which are to be lined up for the campaign, he stated.

Among the entertainment features of festival week was the home talent vaudeville given each night in the Temple of the Golden Moon.

Program in Theatre
Following is the program which is being given in the little theatre: Monologue, Jack Upson; moment rhythmic, Frances Morgan; piano solo, Jessie Jackson; danse petite, Margaret Reynolds; Thera Bara, Mrs. May Rowe; oriental fantasy, Marzelle Grier, and "Au Clair de la Lune" pas de trois by Frances Morgan, Blanche Hubert and Jack Upson.

An interesting place to visit is the tea room conducted by the women of Tujunga. It is called the Garden of the Moon and lies close by the big dance pavilion. There one can buy about everything edible from Moon punch—not moonshine—to home-made hot tamales.

All sorts of games, side shows, merry-go-round, ferris wheel, etc., add to the financial success of the festival which, it is hoped, will enable the Tujunga post of the American legion to pay for Bolton hall which the boys have recently bought.

LOCAL SCHOOL HEAD GIVES STATEMENT ABOUT OPENING

Rules and Regulations Are Announced; Registrations Received This Week

(Continued From Page 1)
The parents so desire. In order that the parent may have a choice between the kindergarten and the school, the child must be between 5 years and nine months and 6 years old on the day the term begins.

Parents are advised not to send their children to kindergarten until they are at least 4 years and 9 months old for the following reasons: First, we have a kindergarten course of only one year and if a child finishes that before he has attained to school age he will either have to drop out for a half year or take the same work over again in the kindergarten; second, a child of 5 will get much more out of the kindergarten work than a child of 4 1/2 years.

Superintendent's Office Hours

VAUDEVILLE TODAY FEATURES ART IN OLD RAGS

Triller, Famed Painter, Is Star of Bill. Playing at the Glendale Theatre

The famous Triller, who paints pictures with old rags, headlines the first Tuesday performances of Meiklejohn & Dunn's great road show at the Glendale Theatre today. Four other feature acts will be presented.

Triller is an artist in every sense of the word and his novelty has played in practically every large house throughout the United States. And while the other numbers are unannounced, there is the assurance they are up to standard.

For those who saw the superb vaudeville Saturday night, there is no question but what the Glendale Theatre will be packed.

"The Blazing Trail," Frank Mayo's most recent Universal photodrama, is the film attraction. It contains remarkable scenes of mountain life in actual mountain settings.

The picture deals with a young physician whose mind breaks under the strain of overwork and who goes in an isolated community in the Blue Ridge mountains to regain his poise. While there he saves the life of a girl by the use of a serum for blood-poisoning, regains his mental power and finds himself thoroughly inoculated with the love germ.

Marriage Licenses Can't Be Procured In Their Home Town

ALAMEDA, Sept. 6.—"You'd like a what?" exclaimed Officer Olsson. The modest looking young man who had nervously entered Alameda police station repeated his demand. "I would like to get a marriage license," he asserted demurely. When the officer had recovered his gravity, he explained to the young man that marriage licenses are only issued at the county seats, and that he might have better luck in Oakland.

"Oh," was the reply. "That's too bad. You see, we planned to live here, and so we thought we'd like to get the license here, too."
